Highlights

40mm neoymium drivers
40mm neodymium drivers deliver heavy bass and powerful sound. The adjustable bass control lets you adapt your sound experience to your individual preference any time you want!

Adjustable bass boost control
The adjustable bass boost control allows you to get the perfect level of bass for every song. Listen to music the way you like it wherever you go.

Compact foldable design
A unique folding design allows you to fold the FX headphones into a ball for easier transport and storage.

In-line remote with mic
The FX5 features a built-in microphone so you can switch from listening to music to taking phone calls in an instant.

Noise isolation ear cushions
The over-ear cushions fit around your ears and block external noise so you can enjoy music on the go.
